PETITIONING THE COURT

To Issue a warrant.

The probation officer believes that the offender has violated the following condition of supervision:

Violation Number Nature of Noncompliance

I Special Condition # 18: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On February 6, 2012, Mr. Brown reported to the U.S. Probation Office in Los Angeles, California, for a courtesy review of his request for consideration for transfer of supervision. While at the U.S. Probation Office, he was asked to submit a urine sample. His sample was found to be presumptive positive for the presence of marijuana and PCP. Mr. Brown admitted to marijuana use, and advised that he took responsibility for anything else that was found to be in his system. He did not recall consuming PCP, but admitted to having a few blackouts while in Los Angeles.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer to the allegations contained in this petition.
